

SEC POSTERS 2015

#	Submitting Author	Institution	Abstract Title
1	Manal Abokwidir, MD	Wake Forest Baptist Health	Leishmaniasis in Syria
2	Courtney Bagayoko, MD	Wake Forest Baptist Health	A retrospective review of treatment results for patients with Central Centrifugal Cicatricial Alopecia
3	Lauren Barnes, MD	Eastern Virginia Medical School	Impotence: a rare methotrexate side effect
4	Simona Bartos	Nova Southeastern University	Response to Biologics in Psoriasis treatment
5	Matthew Belcher, MD	Georgia Regents University	An Incidental Remission of Subcorneal Pustular Dermatitis
6	James Bota, MD	Eastern Virginia Medical School	The Sliding Loop Modification: a Useful Variation of the Square Knot
7	Hannah Chen, BA	University of North Carolina-Chapel Hill	Oral lichen planus trigger identification and avoidance
8	Alex Clavijo	University of Virginia	Gigapixel Photography for the Detection of Skin Cancer
9	Nicole D. Cresce, MD	University of Virginia	Reed-ing between the lines: a case of multiple cutaneous and uterine leiomyomatosis
10	Ariana Eginli, BA	Wake Forest Baptist Health	A Case of Pyoderma Gangrenosum, Acne, and Suppurative Hidradenitis: (PASH) Syndrome
11	Leonora Culp, BS	Wake Forest Baptist Health	Localized Acanthosis Nigricans at the Site of Repetitive Insulin Injections: a case report and literature review
12	Leonora Culp, BS	Wake Forest Baptist Health	Squamous cell carcinomas and actinic keratoses in an arc welder: a case report and literature review
13	Laura Doerfler, MD	Wake Forest Baptist Health	Two unusual cases of Orf
14	Laura Doerfler, MD	Wake Forest Baptist Health	The coexistence of two clinical lesions of mastocytosis in a young female
15	Sara Faulks, BS	Medical University of South Carolina	Presenting safety data to patients: subjective interpretations of objective information
16	Kyle Flores, BS	Virginia Commonwealth University	A rare and grim case: Transformation from indolent primary cutaneous marginal zone lymphoma to aggressive primary cutaneous diffuse large B-cell lymphoma
17	Amy Gagnon, MD	University of Virginia	PELVIS Syndrome with Response of Perincal Hemangioma to Propranolol
18	Rob Gathings, MD	Medical University of South Carolina	Phacomatosis pigmentokeratocica: A RASopathy with malignant potential?
19	Dane Hill, MD	Wake Forest Baptist Health	Cost of primary care vs dermatology to manage skin disease
20	Sara James, BA	University of Virginia	Measurement of Disease Severity in a Population of Rosacea Patients
21	Lauren Henderson, MD	Eastern Virginia Medical School	Eruptive Xanthomas in a Child with GVHD-Induced Liver Disease
22	Lauren Henderson, MD	Eastern Virginia Medical School	Indolent tumor on the face of a 39 year-old African American male

#	Submitting Author	Institution	Abstract Title
23	Sama Kassira, BS	University of Alabama at Birmingham	A Case of Acitretin-Induced Bullous Pemphigoid
26	Katarina Kesty, MD	Greenville Health System Department of Internal Medicine	Walk-In Dermatology Clinics: Assessing the Financial Viability and Market Benefit
27	Sarah B. Koch, MD	Wake Forest Baptist Health	Herpes zoster in a young child after varicella vaccination: a rare clinical entity
28	Jessica M. Kwock, MD	University of Virginia	Dermatomyositis in pregnancy
29	Krista N Larson, BS	University of Virginia	Pagetoid Reticulosis: Two Case Reports and a Review of the Literature
30	Robin Lewallen, MD	Wake Forest Baptist Health	A year in review: Vulvar subspecialty clinic
31	Li Li, MD	Eastern Virginia Medical School	Symptomatic Improvement of Keloid with 5-Fluorouracil Injections
32	Lucette Teel Liddell, BA	Medical University of South Carolina	Bullous Sweet's Syndrome in Oncology Patients
33	Rakhi Melvani, BS	Virginia Commonwealth University	A Case of Persistent Leukoplakia
34	India Ashton Miller, MD	Georgia Regents University	Continuous Positive Airway Pressure (CPAP) Dermatoses
35	Swetha Pathak, MD	Wake Forest Baptist Health	Heparin-induced Bullous Hemorrhagic Disease: Case Report
36	Padcha Pongcharoen, MD	Wake Forest Baptist Health	Anti-interferon-gamma autoantibody and opportunistic skin infections
37	Emily D. Privette, MD	University of Virginia	Clinical Pearl: Staph Scalded Skin Syndrome Presenting with Tense Bullae
38	Vanessa N. Richardson, MD	Georgia Regents University	Use of Hair Relaxers by Licensed vs Non-Licensed Individuals
39	Laura F. Sandoval, DO	Sampson Regional Medical Center	Practical suturing techniques
40	Jaelyn Smith, BS	Wake Forest Baptist Health	Pilot Study of Home Phototherapy Uptake with Copayment Waivers
41	Jannah Sontag, PhD	University of North Carolina-Chapel Hill School of Media and Journalism	Assessing the Effectiveness of Pictorial Messages to Deter Young Women from Indoor Tanning
42	R Blake Steele, BS	Virginia Commonwealth University	Erythema multiforme major: a complication of smallpox vaccination
43	Nicholas Taylor, PhD	University of North Carolina-Chapel Hill	PD1 expression by tumor-infiltrating lymphocytes in primary and metastatic melanoma is inversely correlated with presence of BRAF mutation.
44	Sara Moradi Tuchayi, MD, MPH	Wake Forest Baptist Health	New Self-Assessment Tool For Rosacea
45	Rechelle Tull, BA	Wake Forest Baptist Health	A Case of Diffuse Epidermal Nevus and Palmoplantar Keratoderma with a Drastic Response to Acitretin
46	Rechelle Tull, BA	Wake Forest Baptist Health	Rocky Mountain spotted fever from the Dermatology consultant's perspective
47	Kim Vuong	University of North Carolina-Chapel Hill	Staged wide excision: a surgical treatment option for severe axillary hidradenitis suppurativa (HS)
48	Alexandra Zeitany, BS	University of North Carolina-Chapel Hill	A novel, multimodal approach to severe keloidal pseudofolliculitis barbae
