

**41st Annual SEC for Dermatology
November 3 – 5, 2017
Augusta, GA**

2017 Poster Prize Winners

Best Clinical Case Report

IVIG as a culprit for psoriasiform eruptions

Robert Borucki, BS

Medical University of South Carolina

Best Research Project

Does a Pre-Transplant History of Melanoma Affect Patient Survival?

Charles J. Puza, BA

Duke University

Best Overall

Inhibition of melanoma cell growth and tumorigenicity with plumbagin:

Involvement of ER stress and DDR signaling

Sarah F. McClees, MD

University of Alabama Birmingham

POSTER SYMPOSIUM

#	Submitting Author	Institution	Abstract Title
1	Aubrey L. Allen, BA	Brody School of Medicine at East	BAPoma Arising During Pregnancy
2	Mariam Amin, MD	Emory University School of Medicine	Patchy scarring alopecia of the beard area: an important clue to frontal fibrosing alopecia in men.
3	Dana M. Baigrie, DO	Campbell University School of Osteopathic Medicine/ Sampson Regional Medical Center	Triple-Hit Primary Cutaneous Diffuse Large B-Cell Lymphoma, Leg-Type: A Case Report and Review of Literature
4	Steven Barilla, BS, BA	Wake Forest School of Medicine	Boggy synovitis, Lower extremity granulomatous dermatitis, Anterior
5	Steven Barilla, BS, BA	Wake Forest School of Medicine	Bullous Lesions on the Thigh: A Case of Cellulitis-Like Sweet's Syndrome
6	Steven Barilla, BS, BA	Wake Forest School of Medicine	A Case of Pagetoid Reticulosis in an HIV+ Male
7	Lauren E. Barnes, MD	Eastern Virginia Medical School	Metastatic angiosarcoma in an African American patient with HIV infection
8	Lauren E. Barnes, MD	Eastern Virginia Medical School	Multidisciplinary Cutaneous Oncology Clinic: Amplifying Care and Enhancing Surgical Training (A Contemporary Model)
9	Brian E. Bishop, MD, MPH	Emory University School of Medicine	Acquired Idiopathic Generalized Anhidrosis: Challenges in Management When Steroids Fail
10	Amy Blake, MA	Eastern Virginia Medical School	A Case of Metastatic Cutaneous Squamous Cell Carcinoma Arising from an Epidermoid Cyst
11	Amy Blake, MA	Eastern Virginia Medical School	Diagnostic and management challenges of desmoplastic melanoma
12	Brandon F. Bodie BS	University of Alabama Birmingham	Shave biopsy wound care practices: an Internet search engine based review of current recommendations
13	Robert Borucki, BS	Medical University of South Carolina	IVIG as a culprit for psoriasiform eruptions
14	Nikoleta Brankov, MD	Eastern Virginia Medical School	Nickel Allergic Dermatitis: How can living within a Blue Zone impact prevalence data?
15	Sara F. Braswell, MD	Virginia Commonwealth University School of Medicine	Squamous cell carcinomas associated with dasatinib
16	Elyssa Cohen, BS	Medical College of Georgia at Au-	Inhibiting Epidermal Hyperplasia with Phosphatidylglycerol in an in vivo
17	Michael J. Davis, BMus	Emory University School of Medicine	Sulfasalazine-induced DRESS syndrome
18	Gabriella J. DiMarco, MD	University of Virginia	Squamous Cell Carcinoma Arising in a Plaque of Necrobiosis Lipoidica
19	Stephanie L. Donaldson, BS	University of Alabama Birmingham	Injection Site Necrosis and Ulceration following Vaccination in an Adult Patient
20	Emily H. Dothard, MD	Wake Forest School of Medicine	A Case of Levamisole-induced Vasculitis Masquerading as Autoimmune Disease
21	Rachel G. Eisenstadt, BA	Emory University School of Medicine	Esophageal Presentations of Mucous Membrane Pemphigoid: A Diagnostic Dilemma
22	Clinton Enos, MD	Eastern Virginia Medical School	Finding gold in the dermis: An unusual case of cutaneous gout
23	Kyle Flores, MD	University of North Carolina School of Medicine	Giant Merkel Cell Carcinoma
24	Robert M. Gathings, MD	Medical University of South Carolina	Single stage interpolation flaps for repair of complex facial defects: a retrospective cohort
25	Darren J. Guffey, MD	University of Virginia School of Medi-	Hyperkeratotic demodex
26	Emily A. Gurnee, MD	Emory University School of Medicine	A Case of Atypical Werner Syndrome
27	Adelaida M. Gyurjyan-Bunch	Eastern Virginia Medical School	Delayed Onset of Acute Generalized Exanthematous Pustulosis Induced by Hydroxychloroquine
28	Caitlin G. Haydek, MD	Emory University School of Medicine	Goltz, Papillomas, and Pregnancy: A Perplexing Predicament
29	Blake Helget, MD	Medical University of South Carolina	An Unexpected Consequence From Application of Black Henna Tattoo
30	Justin P. Hess BS	The Brody School of Medicine at East Carolina University	Immune cell mediated death as an approach for NMSC therapy
31	Melissa B. Hoffman, MD	Wake Forest School of Medicine	A Case of Kawasaki Disease in a Young Adult
32	Meyeneobong E. Inyang, BA	Howard University College of Medi-	Vehicle Preference for Desoximetasone 0.25% (Topicort) Spray and Deter-

POSTER SYMPOSIUM

#	Submitting Author	Institution	Abstract Title
33	Sara M. James, MD	University of North Carolina School of Medicine	Treatment Options for Giant Basal Cell Carcinoma, A Case Series
34	Lauren Jenkins, MD	Medical College of Georgia at Augusta University	Treatment of eosinophilic granulomatosis with polyangiitis in an unimmunized teenager with mepolizumab
35	Samantha Karlin, BS	LSU New Orleans / Medical University of South Carolina	Unmasking of mycosis fungoides by ustekinumab
36	Kelsey R. Kennedy, BS	University of Alabama Birmingham	Systemically Reactivated Allergic Contact Dermatitis to Cholecalciferol: A Case Report
37	Katharine A. Kenyon, MD	University of North Carolina School of Medicine	Congenital trichilemmoma on the knee of a healthy child
38	Chelsea Kesty, BS	Wake Forest School of Medicine University	Metaphor Medicine: Dermatological patient education using metaphorical language
39	Frank A. Lacy BA	Wake Forest School of Medicine	Sebaceous Carcinoma: A Potential Presenting Sign of Muir-Torre Syndrome
40	Jack Lee BSc	University of Virginia School of Medicine	Eruptive Squamous Cell Carcinomas Associated with PD-1 Inhibitor Therapy
41	Nicole Leung, BS	Duke University School of Medicine	Long-term improvement in three cases of recalcitrant darier's disease with photon and electron beam radiotherapy
42	Nicole Leung, BS	Duke University School of Medicine	Successful treatment and long-term remission of Erythema Dyschromia Perstans (EDP) in a patient using narrow band-UVB
43	Nicole Leung, BS	Duke University School of Medicine	Scleroderma among patients with breast cancer
44	Caroline M. Lewis, MD	University of North Carolina School of Medicine	Two Cases of Cryptococcal Cellulitis in Immunosuppressed Patients
45	Brittanya A. Limone, MA, BS	Loma Linda University	Utilization of online platforms in the promotion of contact allergen
46	Li Li, MD	Eastern Virginia Medical School	The pulley purse-string closure: a novel modification of a simple technique for use in dermatologic surgery
47	Kendall Liner, MD	Medical College of Georgia at Augusta University	Case report of mycetoma caused by Nocardia wallacei, a new strain of Nocardia resistant to common antibiotics
48	Kevin M. Luk, BS	Emory University School of Medicine	Strict anatomical colocalization of plaque-type psoriasis within long standing vitiligo patches
49	Angela Macri, DO, MS	Sampson Regional Medical Center	Improvement of restless legs after treatment of varicose veins with endovenous laser treatment
50	Iviensan F. Manalo, MD	Emory University School of Medicine	Idiopathic facial aseptic granuloma: A review and report of dramatic improvement in one young child after treatment with oral azithromycin and topical metronidazole
51	Rachel R. Marks, MD	Medical College of Georgia at Augusta University	I Must In-Cyst on a Biopsy!
52	Elise D. Martin, BA	Medical College of Georgia at Augusta University	Malignant Melanoma Diagnosis Following Photodynamic Therapy
53	Cathy M. Massoud, MD	Virginia Commonwealth University School of Medicine	A verrucous cutaneous plaque at 7 months gestation: diagnosis and management of cutaneous leishmaniasis in a pregnant patient
54	Sarah F. McClees, BS	University of Alabama Birmingham	Inhibition of melanoma cell growth and tumorigenicity with plumbagin: Involvement of ER stress and DDR signaling
55	Brianna McDaniel, DO	Sampson Regional Medical Center	Cutaneous Myiasis Masquerading as Facial Cellulitis
56	Sean McGregor, DO, PharmD	Wake Forest School of Medicine	A Case of Primary Cutaneous Follicle Center Lymphoma and Review of Current Literature
57	Jonathan A. Miles, BA	University of North Carolina School of Medicine	Recalcitrant Cutaneous Crohn's Disease Successfully Treated with Intraleisional Methotrexate: A Case Report
58	Diana Norton, MD	Duke University School of Medicine	Big Blistering Bug Bites of Blood Badness
59	Fnu Nutan, MD	Virginia Commonwealth University School of Medicine	Amputation due to misdiagnosis of Pyoderma gangrenosum
60	Charlene W. Oldfield, MD	Eastern Virginia Medical School	Neurofibromatosis Type 1 with Atrophic Neurofibromas
61	Karina M. Paci, BS	University of North Carolina School of Medicine	Implementation of Outcomes-Based Curriculum for Dermatology Clerkship in Undergraduate Medical Education

POSTER SYMPOSIUM

#	Submitting Author	Institution	Abstract Title
62	Aakash V. Patel, BS	Medical College of Georgia at Augusta University	Alirocumab-induced bullous pemphigoid in a 60 year-old patient with hyperlipidemia
