**Program Co-Chairmen
Curtis W. Schupbach, M.D.
David T. Woodley, M.D.**

**FRIDAY, SATURDAY, SUNDAY
SEPTEMBER 18, 19, and 20, 1987**

GENERAL INFORMATION

THE ELEVENTH SOUTHEASTERN CONSORTIUM for Continuing Medical Education in Dermatology will be held in Charlotte, North Carolina on Friday, Saturday and Sunday, September 18-20 and will be hosted by the Charlotte Dermatology Association. The educational goal of the Consortium is to update one or two areas of clinical dermatology at each meeting. Topics are selected by the Steering Committee from the list of Core Curriculum and rotate every year among the participating institutions. The complete curriculum is recycled every eight years. After selection of each broad topic, speakers are carefully chosen for each subject. Emphasis is put on choosing effective and enthusiastic teachers from the area encompassed by the Consortium.

THE TOPIC THIS YEAR: "Infectious Diseases in Dermatology"

MEETING PLACE: The meeting is hosted this year by the Charlotte Dermatology Association and will be held in the downtown Marriott Hotel. On Sunday morning, September 20th, a clinical meeting consisting of patient presentations will begin at 8:00 a.m. at the Charlotte Memorial Hospital. Transportation will be provided between the hotel and the hospital. After patients are viewed from 8:30 a.m. until 10:00 a.m., a discussion of the patients will take place in the Medical Auditorium of the Charlotte Memorial Hospital.

HERBERT Z. LUND LECTURESHIP: Dr. Bijan Safai, Chief of Dermatology at the Sloan-Kettering Cancer Hospital in New York City and a noted expert in the field of dermatoinmunology and acquired immune deficiency syndrome will give the Herbert Z. Lund Lectureship at 8:15 a.m. on Saturday morning entitled "Cutaneous Aspects of the AIDS Epidemic".

SPECIAL CLINICAL LECTURES: Dr. William Rosenberg, Professor and Chief of Dermatology at the University of Tennessee who is a noted expert in the role of infectious disease agents in papulosquamous and dermatitic diseases will deliver a special lecture on Saturday, September 19th, at 9:10 a.m. entitled "*M. Ovalis*, Ketoconazole, Seborrheic Dermatitis and Psoriasis". Dr. Bruce H. Thiers will also deliver a special clinical lecture on Friday, September 18, at 4:15 p.m. entitled "Current Indications and Treatment for Post-herpetic Neuralgia."

CLINICAL MEETING: All Consortium meetings are held in conjunction with the presentation of patients at a clinical meeting. This year the Charlotte Dermatology Association will present patients on Sunday, September 20th, beginning at 8:30 a.m. in the Clinic Building of the Charlotte Memorial Hospital.

TRANSPORTATION: The Southeastern Consortium meeting will be held at the downtown Charlotte Marriott Hotel. All of the events on Friday and Saturday, September 18th and 19th, will take place at the hotel. On Sunday, September 20th, patient viewing and discussion of the clinical cases will take place at Charlotte Memorial Hospital in the Clinic Building and Hospital Auditorium. Shuttle bus transportation will be provided between the hotel and Charlotte Memorial Hospital on Sunday morning.

CREDIT: The American Academy of Dermatology, as an organization accredited for Continuing Medical Education, certifies that participation in the Consortium Program plus the Clinical Meeting qualifies for 13 hours of CME credit with the American Academy of Dermatology toward the Continuing Medical Education Award and toward the Physician's Recognition Award.

COCKTAIL PARTY: On Friday, September 18, there will be a cocktail party to welcome all of the SEC participants beginning at 7:00 p.m. at Discovery Place which is a "hands-on" natural history and science museum.

RECEPTION AND DINNER: A reception and dinner will be planned for Saturday evening and will be held at the downtown Charlotte Marriott Hotel.

REGISTRATION: Separate registrations are required for the Consortium Meeting (Friday and Saturday), the reception and banquet, and the Sunday Clinical Meeting. Please complete the registration form and enclose the appropriate check. Make the check payable to the Southeastern Consortium for CME. Residents in training may attend the Consortium for CME and the Clinical meeting at no charge except for the \$30.00 per person charge for the reception and dinner.

HOTEL RESERVATIONS: The meeting will be held at the Charlotte Marriott City Center, 100 West Trade Street, Charlotte, North Carolina. Make your reservations directly by calling 1-800-228-9290 (toll free number) or 1-704-333-9000 (local number). It should be noted that a special discount rate has been offered to all participants of the SEC. However, since there are limited number of rooms available, reservations should be made as early as possible. Rooms will be held for us until September 15th. Any concerns about hotel accommodations should be addressed by calling the SEC Hotel Coordinator, Mr. Steve Ludwig, directly at the number above. The meeting rates for the hotel rooms are 1-2 persons \$62.00 per night and 3-4 persons \$70.00. These are prices for the room per night, not per person. **Be sure to mention that you are with the SEC Meeting to get the appropriate rate.**

Shuttle bus service will be available on Sunday morning between the hotel and the Charlotte Memorial Hospital.

OTHER ACTIVITIES: Charlotte is a beautiful city with a rich history. It has a very active, modern downtown area and is surrounded by many lovely residential areas. In addition to Discovery Place, the Natural History and Science Museum in Charlotte, there are many other interesting and enjoyable sites and activities. On Saturday, September 19th, Charlotte will host its annual Festival in the Park, an outdoor arts and crafts festival in Freedom Park. On the same day, Charlotte is also hosting a Greek Festival which will feature Greek music, dance, costumes, food and crafts. On Saturday afternoon, golf and a round robin tennis tournament at Carmel Country Club are available for all participants in the SEC.
