## **General Information**

The Nineteenth Southeastern Consortium for Continuing Medical Education in Dermatology will be held in Chapel Hill, North Carolina, on Friday, Saturday, and Sunday, October 27-29, 1995. The meeting will be hosted by the Department of Dermatology of the University of North Carolina at Chapel Hill. The educational goal of the Consortium is to provide an update in one or two areas of clinical dermatology selected from a core curriculum. The meeting rotates every year among the participating institutions. Emphasis is placed on choosing effective speakers from the region encompassed by the Consortium.

The educational goal of the Consortium is to provide an update in one or two areas of clinical dermatology selected from a core curriculum. This year's conference will provide updates on vesiculobullous diseases and difficult to manage skin problems.

## **Meeting Venue**

The lectures will be given Friday from 12:30-5:00 PM and Saturday from 8:00 AM-12:00 noon at the Carolina Inn in the Chancellors Ballroom on the University of North Carolina-Chapel Hill campus. The Sunday patient presentations will be from 8:30-10:00 AM at the Ambulatory Care Center and the discussion will immediately follow at the Carolina Inn.

## **Target Audience**

This course is designed for dermatologists.

## **Educational Format**

Speakers will present information in a lecture format. There will be opportunities for the audience to ask questions after each presentation. A syllabus of course related materials will be provided to registrants upon check-in.

## **Educational Objectives**

*At the conclusion of this course, participants should be able to:*

- ◆ summarize recent advances in managing patients with vesiculobullous diseases
- ◆ examine the relationship between psychological disorders and skin disease
- ◆ review strategies for managing difficult skin problems in children
- ◆ outline approaches to managing patients with chronic vulvar disease

## **CME Credit**

Course No. 109-100

This educational activity has been recognized for 12 hours of AAD Category I credit and may be used toward the American Academy of Dermatology's Continuing Medical Education Award.

## **Afternoon, Evening and Guest Activities**

Cocktails and wine will be served Friday evening following the first SEC session October 27 at the Carolina Inn in the Old Well Room or in the Courtyard from 6:30-7:30 PM. Dinner will follow at 7:30 PM in the John Sprunt Hill Grand Ballroom. The Bill Bolen Band will provide music for dancing beginning at 8:30 PM on Friday evening.

Southeastern Consortium participants will have Saturday afternoon and evening free. There are many wonderful restaurants in the Chapel Hill-Durham area. A complete list of these restaurants will be provided at the first day of the meeting so that you can make reservations for a restaurant of your choice for Saturday evening.

There are many exciting things to do in the area in your spare time. Golf is available at several area courses including the University of North Carolina course. Other area attractions are the planetarium and arboretum on the University of North Carolina campus, the North Carolina Botanical Garden in Chapel Hill. The area also offers interesting art museums including the Ackland Museum and the North Carolina Museum of Art. Chapel Hill in late October should provide a comfortable and scenic setting for the meeting this year.
