

*The University of Virginia
Department of Dermatology presents*

The 20th Annual Southeastern Consortium for Dermatology

October 18-20, 1996

Boar's Head Inn

Charlottesville, Virginia

**Topic:
Diagnosis & Therapeutics
in Dermatology**

Visiting Guest Speakers

Dr. Drore Eisen

Oral Manifestations of Dermatologic Diseases

Oral Manifestations of Systemic Diseases

Dr. Pearl Grimes

Therapy for Vitiligo

Ethnic Hair and Skin Disorders

Sponsored by the

Office of Continuing Medical Education

University of Virginia School of Medicine

PURPOSE

The educational goal of the Consortium is to provide an update for dermatologists in one or two areas of clinical dermatology selected from a core curriculum. Featured speakers are selected from the region encompassed by the Consortium, and the meeting rotates annually among participating institutions. The Department of Dermatology at the University of Virginia School of Medicine is the host for this year's conference, and the meeting will provide an update in diagnostics and therapeutics.

EDUCATIONAL OBJECTIVES

As a result of attending the conference, participants will be able to:

1. Determine the diagnostic applications of PCR;
2. Discuss diagnosis and treatment of common diseases arising in the mouth;
3. Evaluate latex allergy, including necessary testing;
4. Review common vulvar dermatoses and treatment;
5. Review indications for referring for Mohs surgery;
6. Discuss and review case studies in dermatology.

ACCREDITATION

The University of Virginia School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The University of Virginia School of Medicine designates this educational activity for up to **11** hours in Category 1 towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he actually spent in the educational activity.

This educational activity has been recognized for **11** hours of AAD Category 1 credit and may be used toward the American Academy of Dermatology's Continuing Medical Education Award.

SPECIAL NEEDS

The American Disabilities Act of 1992 requires that all individuals, regardless of their disabilities, have equal access. The Office of Continuing Medical Education is pleased to assist participants with special needs. Requests need to be made in writing by September 20, 1996.

LOCATION

The Boar's Head Inn in Charlottesville, Virginia, will serve as the location for lectures on the afternoon of Friday, October 18, and Saturday morning. On Sunday morning, the clinical session will be held at University Hospital.

ACCOMMODATIONS

Hotel accommodations should be made directly with the Boar's Head Inn no later than **September 17, 1996. Please make your room reservation at the earliest possible date.** During October, large numbers of visitors tour Virginia to view the autumn foliage and on October 19, the University of Virginia football team plays North Carolina State. Room requests after September 17 will be accepted on a space and rate available basis.

Single occupancy \$130/night Double occupancy \$140/night

A charge of \$10.00 will be added for a third person sharing a room. Children under 17 years may share the same room without additional charge. Local taxes are currently 6.5%.

Please contact the Boar's Head Inn at:
P.O. Box 5185 • Charlottesville, VA 22905
(804) 296-2181, or 1-800-476-1988

RECREATIONAL & SOCIAL ACTIVITIES

The scheduled reception on Friday night is designed to take advantage of the country resort ambience of the Boar's Head Inn.

Golf is available on the nearby Birdwood Course, owned by the University of Virginia, and the fees are approximately \$50.00. Dr. Michael Sisack is coordinating this activity and can be reached by telephone at (804) 924-5115; his e-mail address is mjs7q@galen.med.virginia.edu.

Fine dining opportunities are plentiful in the Charlottesville area; suggestions will be included with the letter confirming registration. Because of the football game and increased numbers of visitors to the area, dinner reservations are strongly recommended especially for the Boar's Head Inn.

Charlottesville lies in the foothills of the Blue Ridge Mountains, a beautiful area with historical significance. Thomas Jefferson's home, Monticello, is located close by and is open to the public; the homes of two other former presidents, James Madison and James Monroe, are also within easy driving distance.

FOR MORE INFORMATION

For additional information, please call Mary Miller in the Office of Continuing Medical Education at (804) 924-8394, or physicians may use the Medical Information and Referral Service by calling 1-800-552-3723.

CONFLICT OF INTEREST

As a sponsor accredited by the Accreditation Council for Continuing Medical Education, the Office of Continuing Medical Education of the University of Virginia School of Medicine must insure balance, independence, objectivity, and scientific rigor in all its individually sponsored or jointly sponsored educational activities. All faculty participating in a sponsored activity are expected to disclose to the activity audience any significant financial interest or other relationship (1) with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in an educational presentation and (2) with any commercial supporters of the activity.
