of Wake Forest University
Winston-Salem, North Carolina

WAKE FOREST
UNIVERSITY

Friday • Saturday • Sunday
September 19-21, 1997

GENERAL INFORMATION

The educational goal of the Consortium is to provide an update for dermatologists in several areas of clinical dermatology selected from a core curriculum. Featured speakers are selected from the region encompassed by the Consortium, and the meeting rotates annually among participating institutions. The Department of Dermatology at the Bowman Gray School of Medicine of Wake Forest University is the host for this year's conference.

CME CREDIT

Course No. 109-100

This educational activity has been recognized for 12 hours of AAD Category I credit and may be used toward the American Academy of Dermatology's Continuing Medical Education Award.

MEETING VENUE/REGISTRATION

The lectures will be given Friday from 12 NOON - 5:00pm and Saturday from 8:00am - 12 NOON in Babcock Auditorium at the Bowman Gray School of Medicine. The Sunday patient presentations will be from 8:30am - 10:00am on the Ninth Floor of the Clinical Sciences Building at the Bowman Gray/Baptist Hospital Medical Center and the clinical/histopathological discussion will immediately follow in Babcock Auditorium. Registration should be done by mail. Please complete the registration form and enclose your check for the appropriate amount, payable to the BGSM Department of Dermatology. Registration for dinner Saturday evening is an additional cost beyond the meeting fee. Dermatology residents may attend the SEC and clinical patient meeting without charge.

Details regarding hotel reservations are listed on the registration form. Any questions or concerns about hotel reservations should be directed to Misty Nixon, Department of Dermatology, Bowman Gray School of Medicine of Wake Forest University at 910-716-2768.

EVENING AND GUEST ACTIVITIES

There will be a wine/cheese sampling on Friday evening, September 19th following the meeting in the form of Babcock Auditorium. Dinner & dancing for everyone will be held on Saturday, September 20th at the Oldtown Club. Everyone is invited to attend.

Winston-Salem was first settled by German Moravians in 1753. Today one may visit Old Salem, a restored area highlighting the simple functional beauty of the original shops, homes and gardens. This area is recognized as one of America's most authentic colonial sites. Tanglewood Park, Wake Forest University, the Southeastern Center for Contemporary Art (SECCA), Reynolda House and Gardens, Historic Bethabara Park, The SciWorks Center and the Steven's Center are other area highlights. Winston-Salem offers a wide range of cultural events, recreational opportunities (such as golfing), fine dining and superb accommodations. Bring your family and experience the many flavors that the Winston-Salem area has to offer.
