

# 2004 Southeastern Consortium for Dermatology

October 15-17, 2004

Birmingham, Alabama

The Wynfrey Hotel

## Program Objectives

This conference will provide dermatology residents, faculty, and private practitioners with an overview of new clinical developments in dermatologic care. Participants will have an opportunity to view and hear discussions on a variety of both common and uncommon cutaneous diseases. This will provide a better understanding of skin disease diagnosis and management.

## Host of the 2004 Southeastern Consortium of Dermatology

The University of Alabama at Birmingham

## CME Credit

The 2004 Southeastern Consortium for Dermatology meeting is recognized for 13 hours of AAD Category I CME credit and may be used toward the American Academy of Dermatology's Continuing Medical Education Award.(Program #: 109-100)

A certificate of attendance will be provided to all registrants.

## Southeastern Consortium for Dermatology

The Southeastern Consortium for Dermatology is presented for members of the 10 dermatology programs which comprise the SEC. The venue rotates among the member societies.
