Conflicts of Interest Statement

In the interest of transparency, we ask you and all co-authors to disclose all relationships/activities/interests listed below that are related to the content of your abstract. “Related” means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the abstract/poster. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

Please select **one** of the following:

- The authors have no conflicts of interest relevant to the work presented.
- The authors declare conflicts of interest relevant to the work presented. The COI form must be submitted with the abstract for any authors needing to disclose COI.

Patient Consent

Please select one of the following:

- The authors have obtained informed consent from patients for any identifiable photographs (i.e. containing elements of the face, tattoos, identifying jewelry)
- The authors do not have identifiable photographs in their presentation
